

# WALLPAPER DISPLAY

DISPLAY FOR WALLPAPER SAMPLES

Wallpaper Display is the special display for wallpaper samples.

Tecnografica Italian Wallcoverings makes available to you a selection of 16 subjects that have been chosen among our most appreciated designs, put on display through a frame with an exclusive design.

Each sample of the Wallpaper Display is printed in a 40x120 cm size on a different kind of wallpaper, so that you have the possibility to hold in your hands all our available supports and feel their texture.

#### Special supports:

- ECO support, non-woven fabric PVC-free coated.
- Metal support: vinyl wallcovering with silver foil (metallic effect).
- H2O support – A special waterproof wallpaper made of fiberglass, enabling the decoration of the most humid environments including the bathroom and the internal part of the showers.

#### Vinyl supports:

- TNT support – Wallpaper with a structured spatulate effect.
- Fabric support – Wallpaper with a structured fabric effect surface.

All supports of Tecnografica Italian Wallcoverings, coupled with a high quality of high resolution digital printing, are characterized by bright colors and very fine details.

Wallpaper Display offers the considerable advantage of showing the wallpapers of Tecnografica Italian Wallcoverings in a practical, quick and effective way, thus giving elegance and professional style to your showroom.
