Tecnografica Italian Wallcoverings and its range of wallpapers and decorative panels are at the side of professionals. If you want to start a collaboration with us, or strengthen our offer within your business, Tecnografica will provide you with informative and display tools in different packages, to best meet your professional needs. Find out more now and choose the one that's right for you!

INFORMATIVE AND DISPLAY TOOLS AVAILABLE

The Case

"The Case" is your new inspiration book by Tecnografica. A smart solution and a useful tool specifically designed for your projects. Thanks to The Case, you will have at your disposal our latest catalogues and the samples of all our supports.

Wallpaper Book

Wallpaper Book is our instrument par excellence dedicated to wallpaper samples, printed on the different supports available. Tecnografica provides you with a selection of 30 subjects, chosen among our most appreciated graphics and presented in an elegant binding. Inside the Wallpaper Book, you will find each wallpaper sample together with the complete color variants and the 3D render of the single graphic.

Wallpaper Display

Wallpaper Display is the special display for wallpaper samples, printed on the different supports available. Tecnografica makes available to you a selection of 16 subjects in a 40x120 cm size, that have been chosen among our most appreciated designs and put on display through a frame with an exclusive design. A practical, quick and effective solution to give elegance and professional style to your showroom.

Smart Panel Sample Holder

Smart Panel Sample Holder is the new Tecnografica display for your Smart Panel samples. A simple and fast solution to have 5 different A3-size graphics at hand, all digital-printed on the revolutionary Smart Panel support, the flexible, ultra-thin, and ultra-light decorative panel by Tecnografica.

Dècora Glass Sample Holder

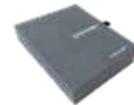

Dècora Glass Sample Holder is the new Tecnografica display for your Dècora Glass samples. A simple and fast solution to have 3 different A3-size graphics at hand, all digital-printed on the special Dècora Glass finish, the decorative panel in laminated glass.

The Trolley "Piquadro x Tecnografica"

Created through a special collaboration among Piquadro, artist Francesco Carrasso and Tecnografica, The Trolley - "Piquadro X Tecnografica" Special Edition is the new and exclusive tool that includes all our promotional materials: Dècora Glass Case, "The Case", Wallpaper Book and large samples of all our panel finishes, including Dècora Glass, the brand new panel in laminated glass, and the Dècora Led luminous panel with its remote!

Tecnografica's design thus combines with Piquadro's quality and Francesco Carrasso's creativity, in an essential work tool that allows you to have a Tecnografica showroom always with you.
